See also Arabic Quran Tafseer Qaseedah References External links Category:Quran Category:American inventions Category:Association football in popular culture Category:Association football-related listsQ: What's the best way to estimate the length of a complexj project?

What is the best way of estimating the duration of a complex project? I am looking to use a different approach, from the one I have used in the past: 1) I estimate the duration based on my past experience with complex, and use it as a starting point, then I add on all the things I have forgotten about. 2) I estimate the duration based on code examples. Basically I look at all the code
