Features Key:

MULTIPLAYER Engage in parallel wars in the five-player online battles. In addition to traditional multiplayer, where up to five players fight each other simultaneously, you can engage in asynchronous online play with the Game Archiv, where you form a party of up to 10 players with up to three friends from your history.

CHALLENGING Various challenges to meet their objectives, and collect crafting materials and equipment. When you defeat the enemy as a surprise attack, you can offer your enemy's experience to your heroes, allowing your character to advance their skills.

TRAVEL WITH FRIENDS Part with your friends in an instant, or build a party of up to 10 heroes.

TAKE OVER THE LAND Earn plenty of rewards using your heroes to earn your own city. Then, contribute to the goals of the World Aggregates to become an Elden Lord of the Lands Between and earn additional rewards.

USE SMARTLY, HEAL WISELY Correct the damage you inflict to your enemies using magic spells or equip gear that prevents the damage.

◆Elden Ring STORY The world of Elden Ring is in chaos. The cycle of life has stopped, and the undead attack at night. The destruction of the world has begun, and all living things are under the threat of death. The

world order has changed, and millions of people from all over the world have been summoned to the Lands Between and have made this world their home.

◆ Elden Ring UI Together with the awesome characters, meet and collect hundreds of items in the vast game world. In addition to the main menu, you can access the game world, character information, battle information, item information, etc.

◆ Elden Ring MAPS A variety of regions where you can go for various reasons, from a peaceful area with simple mechanisms to a dark area filled with pirates, monsters, goblins, and huge bosses. The map also varies depending on how long you have been in the game world.

▲ Grasping the battlefield with your wits

※ Character appearance information and information on items are not included. Complete training for your character at the Inn of Beginning in Towns and Cities.

I am trying to install some stuff on my computer and I got an error. I tried to install BISO, but got this error: "Could not run the setup because of the following error: The attempt to configure ended with error 5. Have you tried to open or run the setup using the /S switch? To open the setup click Start, select Run and enter "%Program Files%\biso.exe" /S" I clicked the start button, but got this error: "Microsoft Windows could not start the Borland Interbase Services because it is being used by another process. Check the Windows Task Manager to stop other programs from using Interbase Services. Click OK to restart the Borland Interbase Services." To view and close other running programs, click OK and then click OK again." This is what I did so far: I clicked the Start button and typed in Interbase, Borland... But I still got the same error. What do I do? 2013-02-28 Jizuki-chan Hello everyone! I am trying to install some stuff on my computer and I got an error. I tried to install B
