Download Marathi Dictionary 2.10 MUMBAI: India's first national-level cricket stadium, equipped with the world's cheapest roof, opened on Monday in the city's lowest income-earning zone as the Maharashtra Cricket Association (MCA), which runs it, is in the process of preparing the ground for hosting cricket matches. Spirit of the Champions, a state government-sponsored book on the achievements of Maharashtra's freedom fighters, was released at the Mahatma Phule Parel Cricket Stadium in the poor South Mumbai neighborhood of Prabhadevi on Monday morning. It was carried to the cricket ground by a tractor-trailer truck whose deck displayed a picture of Mahatma Phule. "If we had a stadium like this in Mahabharata times, there would have been no dispute between the Kaurava and the Pandava over who was the better warrior," Murthy, who was the former chairman of the Mumbai Cricket Association, told reporters at the stadium. Stadium director D.J. Pandu said the stadium's in-field amenities were being improved to make them equal to those of larger stadiums. The ground has been designed to host first-class cricket matches. It has two single-tier stands, with the lower one reserved for members of the Mumbai Cricket Association. The upper stand has a capacity of 2,000 people and the ground has a capacity of 10,000. The cricket stadium has been built on a 31-acre land donated by the government by the express wish of MCA chief Naseem Ahmad. Besides the gover
