Q: How to set character encoding for meta? I have a site which is already in production on the server. But it ignores the meta tag of the site. When editing the site's homepage the meta is ignored as it uses charset=UTF-8. The website is using WordPress 3.3.2 For the homepage I use Find and Replace (Ctrl+H) to search and replace {Character\_Encoding} with ISO-8859-1 So I need to go to every page an replace {Character\_Encoding} with ISO-8859-1. Is there a way this can be done automatically in WordPress? A: If you visit Settings -> General, you should see something similar to this

Elden Ring Features -----►6 Classes to Choose From Elden Lord users have class sets to choose from. This enables you to become stronger or customize your battle style by using a different set of equipment based on your play style. You can create a set of class packs that include equipment from each class. Combine classes to create different sets that are specific to your play style. ►Exquisite Visuals The beautifully illustrated world, animations, characters, and dungeon designs are not only a spectacle to behold, but also a source of satisfaction. The detail displayed reflects the works of top artists and 3D art companies. ►Impressive Combat The action of this game is fun! The combat system has been improved to make it easier for players to enjoy combat. ►Guides to Train Your Skill Develop the skills you need to advance your class, complete dungeons, and achieve a higher rank. The skill guides are easy to understand and fun to read. ◆ Skills ①Spells. Spells are important weapons to be able to use in combat. The combination of spells affects the offensive power of your character. ②Physical Strength. Physical strength determines the number of creatures you can fight at once and the damage you do to them. ③Mana. Mana is the life force of the user. You can use this to increase the number of attacks you make and the damage you deal. ④Luck. Luck determines whether your number of attacks and the damage you deal are increased or decreased. ◆ Equipment ①All Equipment is Available from the Beginning. You can use your character equipment from the beginning of the game. ② Highly Detailed Weapons. Weapons for each class have high-quality animations, intricate designs, and durability. ③ Weave Effect of Magical Weapons. Weave effects display upon the use of magic. The effects, including extensions and decreased sizes, are unique. You will notice them when you compare equipment from other classes. ◆ Character and Item Development ①Character Customization. You can create your own character according to your play style, including developing your character's appearance, body, weapon, armor, and magic. ◆ Skill Development ① Skill Learning. The basic skills that you can learn at the beginning of the

## **Elden Ring Study Guide**

***Below is a beginner's study guide for Elden Ring. This is a study guide for beginners. The game is very easy and clear, but for people who want to know how to do things, refer to the study guide below. If there is anything you don't understand, please post a comment in a post on the forums. We'll clarify them for you.***

**Trait: Gods Tribute: Damage changes of certain weapons and attacks based on the player character's stats  
Gods Answer: Chance to dodge or block based on a character's stats  
Oathbow: Bow with long-range attacks  
\*Your best weapon is the best weapon against them;  
\*Never use a bow in one-on-one encounters.  
\*Use a shield if you often find yourself in a close-range fight.**
