
PATCHED Rosetta Stone TOTALe 5.0.37.43119I Free

If you are using Windows, please follow the instructions below: Launch Rosetta Stone TOTALe. Click Update Now. Once the download is complete, click "OK" and "Rosetta". Once the update is complete, you may see an "Update Now" button next to your current language and add additional languages to the list. Now click on the Update Now button and click OK on the dialog box. Once you update your computer, you can check if there are new languages. If the language is added to the list and click the Refresh button, you will see the language in the dialog box. As you can see in the screenshot, the language has been added to the list.
